and the flames-got high-er, and burned that bear cub's for-est home right down.
 and swore to his friends that-he would ne-ver let this happen here a-gain.
 that ev'ry mem-ber of his team-will teach their friends to fol-low his five rules:

5 RULES [SPOKEN]

- Rule 1: Only YOU can prevent wildfires
- Rule 2: Always Be Careful with fire
- Rule 3: Never play with matches or lighters
- Rule 4: Always watch your campfire
- Rule 5: Make sure your campfire is completely out before leaving it

Now what do you do if you see an open fire with no-one around?
