Any person wanting to import or sell triploid white amur in the State of Ohio must possess a valid White Amur Permit.

Add a White Amur/Grass Carp Permit
I have holding or wintering ponds at the following locations (physical address): _____

I certify that I understand the requirements contained in Ohio Administrative Code section 1501:31-19-01 that only allows the importation and sale of certified triploid grass carp/white amur.

Yes, I would like my (company) name, location, contact info and fish species offered to be listed in the Division's Fish Propagators List publication. You will be included by checking this box and submitting your application by May 1st. Only Division of Wildlife recommended species for private pond stocking are included in this publication.

By signing this application, I acknowledge that it is unlawful for any person possessing a Class A aquaculture permit to possess, buy and sell any aquatic species for the purpose of aquaculture, except for "Class A Species" (see Publication 5061 for Class A species list and permit conditions).

This application is made in good faith with the statements made herein being true. I have read and understand the requirements contained in Ohio Revised Code Sections and Ohio Administrative Code Sections pertaining to this permit and that any falsification of information herein may result in denial or revocation of the permit. I acknowledge that the laws governing this license may change periodically and I will maintain a knowledge and understanding of all laws pertaining to this license (Reference: codes.ohio.gov). Further, I acknowledge that it is unlawful to import aquatic species into the State of Ohio without first securing an Import Permit from the Ohio Department of Agriculture and obtaining appropriate fish (animal) health certification (see www.agri.ohio.gov or call 614-728-6220).

Applicant's Signature

Date
