WHAT IS A CONTROLLED HUNT?

■ Controlled hunts offer a unique opportunity for you to pursue several different species across the state of Ohio.
■ Successful applicants will receive a permit, rules, and hunting area map.
■ Hunts will be offered for mourning dove, quail, waterfowl, white-tailed deer, ring-necked pheasant, small game, and trapping.
■ Hunts are available for all hunters including youth, mentor, women, and mobility impaired applicants.

HOW DO I APPLY FOR CONTROLLED HUNTS?

■ Apply online July 1 through July 31 at: www.ohiogamecheck.com
■ Applications will be accepted for controlled hunts taking place on ODNR properties, including Natural Areas and Preserves, Scenic Rivers, Ohio State Parks & Watercraft, and Wildlife. All controlled hunts will be offered online this year. There will be no in-person drawings for 2020-21 controlled hunts.
■ Hunters may apply for each hunt once annually. Each application is $3 and is non-refundable. Applications can be taken over the phone 1-866-703-1928 for a service fee of $5.50.
■ Beaver/otter and furbearer hunting opportunities will be offered online in October.

HOW WILL I KNOW IF I’M DRAWN?

■ Lotteries run the first week of August.
■ Applicants will receive an email by August 10th, 2020 with their results.
■ Visit www.ohiogamecheck.com and click Manage Customer Account to print your permit and packet containing your hunt rules and area maps. Hunters are required to print their permit and packet and carry it on the day of the hunt.

KEEP IN MIND:

Hunters must be under 18 at the time of application to apply for youth hunts. Hunters must be under 18 at the time of the hunt to participate in youth hunts.

Deer hunters may use the $15 antlerless or $31.20 either-sex permit at controlled hunts. The $15 antlerless permits may be used outside of the effective date listed on the permit.

A mobility impaired person is any person, regardless of age, who is subject to a physiological defect or deficiency regardless of its cause, nature, or extent that renders the person unable to move about without the aid of crutches, a wheelchair, or any other form of support, or that limits the person’s functional ability to ambulate, climb, descend, sit, rise, or perform any related function.

Failure to follow controlled hunt rules and conditions could result in dismissal from the hunt, in addition to criminal charges pursuant to OAC 1501:31-9-01(u).
